

ACHRAF DAOU

PROJECT MANAGEMENT | COORDINATION | DELIVERY

Liverpool | 07771 071562 | achrafdaou69@gmail.com | [LinkedIn](#) | [Portfolio](#)

PROFILE

Project coordination professional with 6+ years across construction, maintenance and logistics. At M2C Maroc, coordinate 2–5 workstreams across 15+ projects, follow up with 20+ suppliers and track milestones, costs and handovers. Reduced routine report preparation from around 2 hours to a few minutes using digital tools. PRINCE2 Foundation certified, with a BA (Hons) in Business Management and an MSc in Project Management in progress. Seeking Project Coordinator, Assistant Project Manager or Project Manager roles.

EDUCATION

MSc Project Management (PRINCE2 Foundation) Liverpool John Moores University Predicted First Class	Sep 2025 - Present
BA (Hons) Business Management University of Huddersfield Upper Second Class (2:1)	Sep 2022 - Jun 2025
Foundation Year, Business, Management and Law University of Huddersfield Upper Second Class (2:1)	Sep 2021 - Jun 2022
Baccalaureate in Economics Kenitra, Morocco	Sep 2018 - Jun 2021

CORE PROJECT MANAGEMENT SKILLS

Languages: French (Fluent), Arabic (Native).

Planning and delivery: schedule and milestone tracking, workstream coordination, progress monitoring and handover.

Cost and supplier coordination: Excel cost logs, material spend tracking, early variance flagging, supplier orders and delivery follow-up.

Risk and governance: risk registers, response and contingency planning in academic projects, PRINCE2 Foundation and compliance reporting.

Reporting and stakeholders: clear progress updates for site teams, senior stakeholders, suppliers and the business owner.

Communication: Clear written and verbal communication, active listening and stakeholder updates.

Organization: Prioritizing tasks, managing deadlines and coordinating multiple workstreams.

Teamwork and leadership: Collaborating across teams and coordinating committee activities.

Problem-solving: Flagging cost variances, following up on issues and improving processes.

Tools: Excel (advanced), IBM SPSS Statistics, Office365 and AI Tools; Microsoft Project and Power BI (developing)

RELEVANT PROJECT EXPERIENCE

Operations and Project Coordinator, remote | M2C Maroc, Construction and Maintenance, Morocco Apr 2020 - Present

- Support milestone tracking across 15+ construction and maintenance projects, typically coordinating 2-5 concurrent workstreams through handover.
- Coordinate orders and deliveries with 20+ suppliers; maintain Excel cost logs and site records for projects typically valued at MAD 100,000-500,000, and flag emerging cost differences.
- Prepare progress, cost and compliance summaries for site teams and senior stakeholders to support project oversight.
- Use AI and digital tools for routine reports and documents, reducing preparation time from around two hours to minutes per report.

Project Manager Job Shadowing | ONCF Rail Infrastructure, Morocco Summer 2025

- Observed rail infrastructure work during 2 site visits and saw how teams checked progress and shared site instructions.
- Attended 4 contractor meetings in one week and observed discussions about design questions and follow-up actions.
- Observed project planning and progress reporting and how updates were shared with project managers.

Administrative Assistant | STE Wild Five Nine SARL, Morocco Feb 2019 - Aug 2019

- Coordinated around 15 fruit and vegetable deliveries per week, contacting 5 suppliers and 8 drivers by phone and email.
- Maintained around 60 delivery and invoice records per month and created an Excel log to track shipments.
- Helped the manager resolve around 3 delivery problems per week and kept suppliers and drivers updated.

Export Supply Chain Volunteer | Driscoll's Grower Site, Morocco Jun 2019

- Inspected around **150 crates** of berries per shift before export packing.
- Labelled and prepared around **200 berry boxes** for overseas buyers.
- Used English and French to help local staff coordinate **1 to 2 shipment batches** with overseas buyers.

OTHER EXPERIENCE

Event Staff, full-time | FGH Security, Liverpool, UK

Oct 2025 - Present

- Welcomed and assisted +10,000 attendees across +4 venues: Anfield Stadium, M&S Bank Arena, ACC Liverpool and Chester Racecourse, supporting a positive visitor experience.
- Completed ID checks and supported safe entry and queue management, using attention to detail to maintain smooth crowd flow during peak periods.
- Worked alongside security and response teams to monitor crowds, respond to attendee needs and promptly communicate safety concerns.

SELECTED PROJECT WORK

MSc Dissertation: AI and Project Performance in UK Construction | LJM U

2025 - 2026

- Designed an online practitioner survey and analysed 27 usable responses in IBM SPSS Statistics. Awareness, resistance and skills were selected as adoption barriers by 88.9%; 51.9% selected training as an enabler. Results describe a small, self-selected sample.

Mersey Heat Low-Carbon Network | Risk Report, 72/100

2026

- Created a risk register and response and contingency plans; used @Risk for a 10,000-iteration cost scenario model and documented assumptions and limits.

Thames Tideway Tunnel | Project Governance Report, 70/100

2026

- Examined portfolio, programme and project governance, linking management choices to strategic, operational and project-level risks.

Volkswagen Dieselgate | Leadership and Ethics Report, 72/100

2026

- Applied power and leadership frameworks to examine organisational culture, employee voice and ethical failure, then assessed post-scandal change responses.

OCP UK Market-Entry Study | University of Huddersfield

2022 - 2023

- Reviewed market-entry, trade and supply-chain considerations; received the module's top mark.

Matchday Attendance Strategy | Huddersfield Town

2023 - 2024

- Researched barriers to midweek attendance and developed recommendations to improve the matchday experience.

LEADERSHIP AND SERVICE

President, Moroccan Global Society | Huddersfield Students' Union

Sep 2023 - Jun 2025

- Coordinated committee roles and responsibilities for a society with 1,000+ members.
- Helped plan and run society events and coordinate budgets with committee members.
- Contributed to the society receiving 4 awards, including Best Society and social media awards.

Course Representative | University of Huddersfield

Sep 2021 - Jun 2022

- Represented 40 students, gathered feedback and followed issues through with course leaders.
