Aspiring Construction Project Manager | MSc Project Management | Trilingual
Liverpool, UK | +44 7771 071562 | achrafdaou69@gmail.com | [linkedin.com/in/achraf-daou](https://www.linkedin.com/in/achraf-daou)

Professional Summary

MSc Project Management student with hands-on experience across the construction supply chain, gained through a family business coordinating material planning, supplier logistics and on-site scheduling. Combines academic grounding in project management methodology with practical exposure to site operations, cost tracking and team coordination. Proven leadership record, shown by winning Best Global Society while President of a 100-plus member university society. Fluent in English, French and Arabic, with a strong interest in sustainable infrastructure and a genuine drive to contribute to a team such as United Infrastructure.

Experience

Operations Management and Project Support

Apr 2020 to Present

M2C Maroc

Morocco

- Coordinated planning and scheduling for small-scale construction and maintenance projects from start to completion.
- Managed supplier relationships and material orders, securing on-time deliveries that kept sites running without delay.
- Supported cost tracking and site documentation, contributing to accurate project records and administrative control.
- Built practical, day-to-day understanding of construction operations through close coordination with contractors, suppliers and site teams.

President, Moroccan Global Society

Sep 2023 to Jun 2025

University of Huddersfield Students' Union

UK

- Led a student committee delivering multiple events for over 100 students across the academic year, building leadership and stakeholder coordination skills.
- Grew the society's engagement and online presence through original content strategy.
- Won the **Best Global Society** and **Social Media Award**, recognised for creativity and community impact.
- Represented the university as Student Ambassador, partnering with the university team to produce promotional content.

Administrative Assistant

Feb 2019 to Aug 2019

STE Wild Five Nine SARL

Morocco

- Provided administrative support to the manager across daily office operations and correspondence.
- Managed calls, emails and delivery documentation for transport operations, keeping communications accurate and timely.
- Organised files, invoices and client records, keeping office operations running smoothly.
