PROFILE

Business Management graduate and MSc Project Management student with hands-on experience supporting **15+ construction and maintenance projects**. Bring practical skills in scheduling, supplier coordination, cost tracking and clear reporting. Seeking a graduate project support or operations role where I can contribute, learn quickly and help a team deliver.

EDUCATION

MSc Project Management

Liverpool John Moores University | 2025-Present

- **PRINCE2 methodology** - studied and examined within the MSc: stage planning, governance, risk and change control.
- **Dissertation:** AI and Project Performance in UK Construction Practices. Designed a survey and analysed **27 usable responses in IBM SPSS Statistics**; developed recommendations on training and adoption.

BA (Hons) Business Management - 2:1 Honours

University of Huddersfield | 2022-2025

- Operations, finance, strategy and business analysis.

Foundation: Business, Management and Law - First-Class | University of Huddersfield | 2021-2022

Baccalaureate, Economics | Morocco | 2018-2020

RELEVANT EXPERIENCE

Operations Management & Project Support

M2C Maroc, Morocco | Apr 2020-Present

- Coordinate planning and scheduling across **15+ projects**, typically MAD 100,000-500,000, tracking milestones through to handover.
- Track costs and materials across **2-5 concurrent projects**; flag variances and maintain Excel cost logs and progress summaries.
- Coordinate **20+ suppliers**, orders and deliveries, resolving issues that could affect the schedule.

Construction Project Manager - Job Shadowing

ONCF, Rabat, Morocco | Summer 2025

- Shadowed site walks, contractor meetings and progress reporting on a rail infrastructure programme.
- Observed programme planning and how client, contractor and engineering teams track site instructions and design queries.

Administrative Assistant

STE Wild Five Nine SARL, Morocco | Feb-Aug 2019

- Maintained invoices, client records and delivery documentation; used Excel and Office to organise operational data.
- Handled client calls, prepared reusable templates and coordinated with drivers and suppliers, keeping a simple delivery log for transport and logistics.

Export supply chain experience - Volunteer

Driscoll's grower site, Morocco | June 2019

- Worked on the berry packing and labelling line, preparing produce for export and learning how products move through the export supply chain.

OTHER EXPERIENCE

Event Staff

FGH Security, Liverpool | Oct 2025-Present | Part-time

- Support event security at Anfield Stadium, M&S Bank Arena, ACC Liverpool and Chester Racecourse: check IDs, manage entry and help keep busy events calm and safe.
- **SIA Door Supervision (Front Line) licensed.**

President, Moroccan Global Society

University of Huddersfield Students' Union | Sep 2023-Jun 2025

- Led a committee across **2 academic years**, planned events, allocated tasks and managed the society budget.
- Created social media posts and event designs, building a consistent identity and promoting community activities.
- Helped the society earn **4 awards: 2 Global Society of the Month awards (October and February) and 2 Social Media Awards.**

Student Course Representative

University of Huddersfield ISC | Sep 2021-Jun 2022

- Represented **40 students**, gathered feedback, raised issues with tutors and course leaders, and followed them through to resolution.

SKILLS

Project delivery: planning and scheduling, cost tracking, supplier coordination, risk assessment, documentation and stakeholder communication.

Tools and data: Excel, Microsoft Office, IBM SPSS Statistics, data preparation and descriptive analysis. Developing Microsoft Project and Power BI skills.

Working style: organised, practical and detail-focused; comfortable coordinating people, priorities and follow-ups.

Languages: fluent in French and Arabic.
